*He who looks into the perfect law of  
liberty and continues in it...this one  
will be blessed in what he does.*

—JAMES 1:25

*Blessed is the man  
Who walks not in the counsel of the ungodly,  
Nor stands in the path of sinners,  
Nor sits in the seat of the scornful;  
But his delight is in the law of the LORD,  
And in His law he meditates day and night.*

—PSALM 1:1-2

Pygo was born in the South Pacific on a reef  
down under the sea.

He looked just like his angelfish family but was  
different, as you will see.

The barrier reef where Pygo was raised had food  
that kept the fish fit:  
sponges, algae, and sea squirts galore!  
Makes me hungry just thinking of it.

Now angelfish live according to laws made at  
the dawn of all time.  
The latest and newest are not to their taste.  
For fads they don't give a dime.

But as you might guess, our Pygo broke ranks.  
He was the free-thinking kind.  
He wanted to break with the old way of life,  
a fish with an "open mind."
